## NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The EDITOR of the NAVY LIST,

Admiralty,

London, S.W.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

The following Officers must send annually between 1st January and 31st March a notification to the Editor of their being alive, otherwise their names will be removed from the List:—

Officers on the Retired List who have commuted their Retired pay.

Officers retired with a gratuity.

Officers of the late Royal Naval Artillery Volunteers.

Officers on the Emergency List of over 55 years of age.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

*The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.*

*By command of their Lordships,*

W. GRAHAM GREENE.

## NAVAL AND GREENWICH HOSPITAL PENSIONS.

---

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible in accordance with Articles 1928-9 of the King's Regulations and Admiralty Instructions of 1913.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 126 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a.) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(b.) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(c.) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(d.) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships.

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will admit.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty and vicious in morals.

In the Female Orphan Home there are 113 girls dependent on the funds of the charity (eligible for admission between the ages of seven and eleven years) who are entirely maintained, clothed, and educated; and who, under the guidance of a careful matron, are subject to a course of industrial training to qualify them for domestic service.

Besides these there are in the Home 30 girls, whose maintenance is paid for from the funds of Greenwich Hospital; and four from the Royal Patriotic Fund, those sent in each case being admissible according to the Rules of the Institution.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.
